28	How do you feel about the work of the community council in the management of the forest of the collective territory of your community?	Read the options 1-3	[1] Content [2] More or less [3] Not happy [98] Do not know [99] Did not answer
29	How do you feel about the work of the Peruvian state in the management of the forest of the collective territory of your community?	Read the options 1-3	[1] Content [2] More or less [3] Not happy [98] Do not know [99] Did not answer
30	How do you feel with the participation of other families from your community to help in the management of the forest of the collective territory of the community?	Read the options 1-3	[1] Content [2] More or less [3] Not happy [98] Do not know [99] Did not answer
31	Do you think it is right to SELL trees from the territory of your community to third parties?	Read the options 1-3	[1] No [2] Yes [98] Do not know [99] Did not answer
32	Do you believe that it is correct to RENT lands from the collective territory of the community to third parties?	Read the options 1-3	[1] No [2] Yes [98] Do not know [99] Did not answer
33	If the community discovered that some THIRD PARTIES were occupying communal lands or felling community trees, how likely would you be to participate in a community meeting to decide what should be done?	Read the options 1-3	[1] No [2] Yes [98] Do not know [99] Did not answer

34	Would you voluntarily participate in a committee organized by the community to investigate the problem if it required half a day of travel outside the community?		[0] No [1] Yes [98] Do not know [99] Did not answer
34.A	And If it required a full day of travel?		[0] No [1] Yes [98] Do not know [99] Did not answer
34.B	What if it required two full days of travel?		[0] No [1] Yes [98] Do not know [99] Did not answer
34.C	What if it required three days or more of travel?		[0] No [1] Yes [98] Do not know [99] Did not answer
35	Would you contribute voluntarily with some rice to feed the members of a committee organized by the community to investigate the problem?		[0] No [1] Yes [98] Do not know [99] Did not answer
35.A	And would it contribute one kg of rice?		[0] No [1] Yes [98] Do not know [99] Did not answer
35.BC	And would it contribute two kg of rice?		[0] No [1] Yes [98] Do not know [99] Did not answer
36	If a family in your community makes a business to sell trees from the community's territory to third parties without consulting others, how often does the community punish them?	Read the options 1-3	[1] Almost always [2] Sometimes [3] Almost never [98] Do not know [99] Did not answer

37	If a family in your community makes a business to rent land from the community's territory without consulting others, how often does the community punish them?	Read the options 1-3	[1] Almost always [2] Sometimes [3] Almost never [98] Do not know [99] Did not answer
38	Now I will pose an imaginary case: Imagine you have a little hen and two neighbors of the community who want to buy. A neighbor can give you 10 soles for the little hen today. The other neighbor can give you 20 soles, but he does not have the money now and he could only pay you later. What would you do, sell it today at 10 soles or would you be willing to wait until later to sell it at 40 20 soles?	Read the question carefully	[0] I would sell it today [1] I would wait for the 20 soles
38.A	How many days would I be willing to wait for 20 soles?	[DAYS] If the person does not know write "98" If you do not answer write "99"	[DAYS]
39	Now I will raise another imaginary case: Suppose that some wood businessmen offer the community an agreement to cut down trees for 500 soles. The wood businessmen would pay today for the trees. At the same time, the community can participate in a project that grants them 500 soles to prohibit the sale of wood. However, the community has to wait several months to receive the money. The community cannot accept the deal with the wood businessmen and the project at the same time. If a community assembly is called to make this decision. Would you vote to make the deal with the wood dealers or the project ?:		[1] Vote for choosing the project [2] Vote for <u>doing</u> business with wood businessmen

39.A	The agreement signed by the community for the project establishes a set time to wait until the community is paid to avoid selling the trees. How many months should the deadline be?	[MONTHS] If the person does not know write "98" If you do not answer write "99"	[MONTHS]
-------------	--	---	-----------

Section 4: INTERVIEW FOR THE **LEADER**

	Now, I would like to ask you some questions from your experience as a representative of the community. For these questions, I will not give you response options. Please talk about your experience and knowledge using your own words. As I said earlier, we will audio record your responses.	Put the audio recorder in the correct place.		
1	Do you feel that the condition of nature and natural resources in your community is better or worse than in your parents' time? Why have they improved or worsened?	[OPEN ANSWER]		
2	Compared to the other problems facing your community, how important is the management of nature and natural resources? Why is [more / less] important than other problems?	[OPEN ANSWER]		
3	What are the biggest challenges to manage and protect nature and natural resources in the territory of your community? What could help overcome these challenges?	[OPEN ANSWER]		

4	When someone in your community notices a threat to nature and nature's resources, for example, from a third-party invasion or a registrar, what does your community do to respond to these threats?	[OPEN ANSWER]		
5	Is there something you want to do as a leader that will help the community to better manage their forest; but what cannot be done for the time being?	[OPEN ANSWER]		

SECTION 5: FINISHING THE INSTRUMENT

5.1	Please, record the time at which the interview ended.			
5.1	Please, re-enter the number that appears on the delivered sheet.			
5.2	Thank you. This concludes the interview.			
5.3	Please, record the result of the interview:		Completed Partially completed
